MAY 2019

News and Updates from April 2019

Construction news:

We finally have power for the two modular on lots 3 & 4! This has allowed us to begin interior work with a professional mudding/tapping crew on drywall. Next up is painting, trim, flooring and finishing siding. If you have special skills contact Lindsay to let her know. Please sign up on VolunteerUP for open shifts!

Fundraising news:

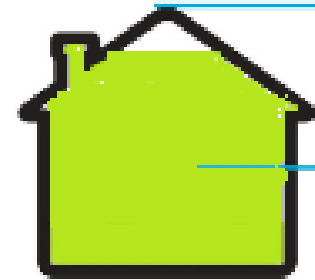

If I Had a Hammer ... The Nields Celebrate Pete Seeger's 100th Birthday, Friday May 3rd at EDWARDS CHURCH. Come early to get your seat – doors open at 6:30pm.

There have been \$2,200 in gross ticket sales advance of the concert (as of 5/1/19). We hope to sell some more tickets in the next few days, at the door and hope that attendees might generously throw a few more dollars in the pot at the event. This will get us up over \$25,000 towards the \$30,000 interfaith goal. Let's see how close we can get on Friday!

- Now that the weather is better, volunteers from several congregations have been coming individually or in small groups to help build on the weekends.
- Volunteers from the Unitarian Society have been helping with mailings, flyer distribution and organizing for events, thank you!
- We have given new volunteer orientations at the College Church in Northampton and at the Sunderland First Congregational Church. Please let us know if you would like to arrange to have an orientation at your place of worship!
